Graduate™ Products
Page 5

Our E-Z Open Tear Tape Cartons reduce the risk of injury from sharp knives and will help your staff save time. Most of our products are shipped in these innovative cartons.

The bottom half of the carton provides a convenient way to display our products when you need extra shelf space.

FOR YOUR INFORMATION. . .

MATERIAL INFORMATION

In an effort to help protect the environment, the majority of our products contain **recycled material**. We use the most durable materials available containing the highest recycled content.

The **vinyl** used in most of our vinyl products contains a minimum of 10% recycled material. The **board** used in the heat-sealed vinyl products is made from 100% recycled paperboard.

Our **polyethylene** and **polypropylene** products contain a minimum of 20% recycled material. The **Natural Poly** used for new Poly Print™ designs contains 100% post-consumer recycled polyethylene.

All **pressboard** products from Four Point contain at least 60% recycled paperboard with 30% post-consumer waste.

Linen pocket folders contain 30% post-consumer recycled fiber.

The **ring mechanisms** contain up to 20% recycled material.

Depending on the nature of paper or plastics that have been recycled, there may be slight variations in the shades of material color (especially Natural poly). Although these very slight variations may exist from product to product, they do not affect the imprint quality or durability of the loose-leaf product.

Sizes, colors and other specifications are subject to change.

MINIMUM ORDERS

Imprinted items - 144 per imprint, product and ink color.
36 per material color.

Plain items - 24 per material color or closest carton pack.

The minimum order dollar amount is \$150.00.

QUANTITY DISCOUNT

Quantities of different products may be combined for the best available discount. For less than 144 or over 12-gross pricing, call your representative for a special quotation.

PRODUCTION TIME

Most one or two-color imprinted orders will be shipped within 15 working days from the receipt of the order and art approval with the exception of back-to-school orders. Plain products are normally shipped within ten working days. If something is required sooner, please ask about our QuickShip1™ program in which products can be shipped within 24 hours of receipt of the order. Look for the QuickShip1™ symbol by applicable items in this brochure.

When placing orders for the Fall 2010 back to school season, please follow these guidelines below to ensure the order arrives in your store when required.

- Orders received March 1, 2010 through March 31, 2010 will receive a ship date ranging from June 1, 2010 through June 30, 2010.
- Orders received April 1, 2010 through April 30, 2010 will receive a ship date ranging from July 1, 2010 through July 30, 2010.
- Orders received May 1 to May 21, 2010 will receive a ship date of August 1 to August 16, 2010. Orders received after May 24, 2010 will receive a ship date of August 17, 2010 or later.
- Orders received September 20 through October 15, 2010 will receive a standard ship date ranging from November 19 through December 10. Contact customer service to schedule shipments outside of these date ranges.
- Orders requiring proof approval will be scheduled based on date of approval.

FREIGHT

Freight charges will be added to the invoice. If the customer has an account with a preferred shipper, they may instead choose to ship freight collect. Prepaid freight programs are also available.

Contact customer service for more information.

Other charges such as customs duties will also be invoiced where applicable.

There may be additional charges for Inside Delivery, or Delivery Notification. If you require this service, you may wish to discuss the costs with your Customer Service Representative, or your carrier of choice. Drop shipments to more than one location are also available for an additional fee.

WINTER SHIPPING INFORMATION

Winter weather creates some unusual problems for certain plastic products. Therefore, effective 11-15-10 through 4-15-11 six (6) cartons or more of vinyl products will be stretch wrapped to a skid and shipped by a truck to avoid damage to products.

Please contact customer service for more information.

RETURNS

No order can be returned without our written consent.

No returns will be accepted beyond 60 days after receipt.

A 25% restocking charge will apply on all returned stock (plain) products that have been approved for return.

IMPORTANT! Four Point Products cannot be held responsible for shortages and/or damages that have not either been:

- A) Noted on the Bill of Lading at the time of delivery.
- B) Reported to the trucking company within 48 hours of delivery.

PAYMENT TERMS

Our payment terms are NET 30 days.

OVER & UNDER POLICY

Due to the difficulty of running exact quantities on imprinted orders, Four Point reserves the right to ship up to 10% over or under the amount ordered.

Sizes, colors and other specifications are subject to change.

BINDER CAPACITY

Capacity (Inside Diameter)	Holds Approximately
1/2" Ring Size	100 Sheets
1" Ring Size	200 Sheets
1 1/2" Ring Size	300 Sheets
2" Ring Size	400 Sheets
2 1/2" Ring Size	500 Sheets
3" Ring Size	600 Sheets

Capacities are based on 20# bond paper.

WHEN ORDERING YOUR FOUR POINT LOOSE-LEAF PRODUCTS:

To find the correct pricing category, add up everything you want to buy from Four Point and then find the appropriate column to begin pricing. (If you want products pre-priced, please let us know those prices also.)

BARCODING AND PRE-PRICING

Both are available on outside back cover.

(Additional production time required.)

Pre-Pricing is available on most screened products at .02 per product when at least 144 of a product and imprint are used.

Custom Barcode Labels may be requested. Store specific barcoding is also available upon request. Labels are .07¢ each and include Four Point's product code, description and material color. A pre-price may also be printed at no additional charge. All stock items are UPC barcoded free of charge. A detailed product bar code list is available upon your request.

IMPRINTING AND DESIGN GUIDE INFORMATION

Imprinted product pricing includes a one-color imprint. Minimum order is 144 per product, design and ink color. Up to 3 different one color designs are included with each order. Additional designs may be added to order for \$75.00 each. Standard ink colors are available at no charge. A \$45.00 charge will apply to match a PMS number or any other specific shade of ink. There is no screen charge for the first or second color screen on our Four Point Design Guide imprints. Second color custom imprints are subject to approval and may incur additional close registration, screen tint or half tone charges as well as a screen charge for the second color screen. Foil Stamping is available at an additional \$.10 per product plus a one-time \$70.00 plate charge per 5" x 7" area. Two separate plates are necessary for the front cover and spine. The deboss die charge is \$70.00.

When choosing an imprint, refer to the Four Point Products Design Guide. The Design Guide previews all of our most popular one-color, and two-color custom imprints with order codes below each design. Our Fresh Concepts brochure will give you a good idea of what our most requested vinyl and ink colors and Poly Print designs look like. Please visit our website or refer to the last page of this or the Fresh Concepts brochure for a list of all available colors. If vinyl color is critical for your order, ask your representative for a color swatch of the material.

Before deciding on an imprint, consider how your school name would appear in the actual design. If your school name is longer or shorter than what is shown, the design may look somewhat different. The location of the artwork, shown in the Design Guide are suggestions. You may, if desired, change the location of your artwork.

If you need assistance in preparing your artwork, we can help. Ask your Four Point Representative about art charges and

other information.

Four Point will be happy to provide art proofs for approval. However, art fees will be applied if multiple changes to the art proofs are requested. Contact your Four Point Representative for more details.

LICENSED PRODUCTS

The enclosed price list does not include royalties on licensed products. Any order of licensed products will be charged the school's royalty rate +3% to cover associated internal administrative costs. In addition, \$.08 will be charged if a special label is required. **Each licensed school will be charged the licensing administrative fee that we are charged by the agent / school.**

ABOUT OUR PACKAGING

Carton counts are listed in the far right column in the enclosed price list.

Our products allow you to specify not only the product color but also how you want your products packed.

You have a few choices:

- **Solid Pack**

All of the same material color in a carton

- **Standard Assorted Pack**

Our standard assortments in a carton give you an instant color mix from carton to store shelf.

Our Assortments to choose from are (min. 36 per assortment on imprinted orders, 24 or closest carton pack on plain):

- **Vinyl Assortment No. 1**

Black, Maroon, Forest Green and Navy.

- **Vinyl Assortment No. 2**

Hot Pink, Cool Aqua, Hawaiian Blue and Purple.

- **Polyethylene**

Black, Forest, Cranberry and Royal

- **Special Polyethylene Assortment (1/2" capacity only)**

Royal, Spruce, Red and Azure.

- **Pressboard**

Purple, Blue, Forest and Cranberry.

We have many other colors to choose from. Please feel free to create your own color assortment and even specify how many you want of each color. These personalized assortments cannot be assorted within cartons and will be packed one or two colors per carton.
